

FLEX GUARD®

Flexible core perimeter wire designed for high-speed, professional installation servicing all containment systems: *Invisible Fence, Pet Stop, Dog Watch, Dog Guard, Contain-A-Pet*; including robotic mowers such as *LawnBott* and *Robomow*. UV and water resistant, direct burial.

**ANIMAL
CONTAINMENT**

Part Number	Gauge/ strands	Lengths (ft)	ECONOMY, 25mil wall
D1804	18/19 copper	500ft increments: 500 – 3000 per reel	
D2004	20/19 copper	500ft increments: 500 – 3000 per reel	

Part Number	Gauge/strands	Lengths (ft)	STANDARD, 45mil wall
D1405	14/19 copper	500ft increments: 500 – 5000 per reel	
D1606	16/19 copper	500ft increments: 500 – 5000 per reel	

Part Number	Gauge/strands	Lengths (ft)	PREMIUM, 60mil wall
D1201	12/19 copper	500ft increments: 500 – 3000 per reel	
D1406	14/19 copper	500ft increments: 500 – 5000 per reel	
D1608	16/19 copper	500ft increments: 500 – 5000 per reel	

TWISTED FLEXGUARD: multi-conductor construction cable made of two, 19-strand copper conductors each insulated with polyethylene. W/W-white white and B/B- black brown combination pairs. Wire used for canceling signal and leading a loop to power.

Part	Gauge/ strands	Color	Lengths (ft)	ECONOMY, 25mil wall
D1411	14/19 copper	WHT/WHT	50ft ,100ft, 250ft, 500ft	
D1410	14/19 copper	BLK/BRN	50ft ,100ft, 250ft, 500ft	
D1625	16/19 copper	WHT/WHT	50ft ,100ft, 250ft, 500ft	
D1626	16/19 copper	BLK/BRN	50ft ,100ft, 250ft, 500ft	

Solid core perimeter wire designed as alternative option to flexguard for all containment systems: Invisible Fence, Pet Stop, Dog Watch, Dog Guard, Contain-A-Pet; including robotic mowers such as LawnBott and Robomow. UV and water resistant, direct burial.

**ANIMAL
CONTAINMENT**

Part Number	Gauge	Lengths (ft)	ECONOMY, 25mil wall
D1801	18 copper	500ft increments: 500 – 3000 per reel	
D2001	20 copper	500ft increments: 500 – 3000 per reel	

Part Number	Gauge	Lengths (ft)	STANDARD, 45mil wall
D1401	14 copper	500ft increments: 500 – 5000 per reel	
D1602	16 copper	500ft increments: 500 – 5000 per reel	

Part Number	Gauge	Lengths (ft)	PREMIUM, 60mil wall
D1202	12 copper	500ft increments: 500 – 3000 per reel	
D1403	14 copper	500ft increments: 500 – 5000 per reel	
D1603	16 copper	500ft increments: 500 – 5000 per reel	

TWISTED TUF GUARD: multi-conductor construction cable made of two solid copper conductors each insulated with polyethylene. W/W-white white and B/B- black brown combination pairs. Wire used for canceling signal and leading a loop to power.

Part Number	Gauge	Color	Lengths (ft)	ECONOMY, 25mil wall
D1412	14 copper	WHT/WHT	50ft ,100ft, 250ft, 500ft	
D1620	16 copper	WHT/WHT	50ft ,100ft, 250ft, 500ft	
D1621	16 copper	BLK/BRN	50ft ,100ft, 250ft, 500ft	
D1820	18 copper	WHT/WHT	50ft ,100ft, 250ft, 500ft	
D2011	20 copper	WHT/WHT	50ft ,100ft, 250ft, 500ft
